Call, SMS, request a photograph or video call the current **active patient**. File the communication using the Contact History.

The **User Menu** allows you to access settings, help, diagnostics and to choose what icons you see in the Phonebar.

☰☰☰☰☰
👤
DA

Click the dialler Icon to Expand the Phonebar

Access recent **Call History**, listen to call recordings and access personal voicemails.

Set your User Status

- Available
- Direct Calls Only
- Do Not Disturb
- Logged Out

Clinicians can work through their **appointment lists** using the same communication options as those for an active patient.
