

Tired of **waiting** on hold?

Book appointments with ease

Introducing our new SMS Appointment Booking feature!

We can now send you a text message with a secure link to book your appointment for specific clinics and health checks, like your upcoming flu vaccination.

This new feature offers a faster, more flexible way for you to manage your appointments.

What this means for you:

- ✔ **Convenience:** Book anytime, anywhere.
- ✔ **Quick & Easy:** Book your appointment with a single tap, no need to call the surgery.
- ✔ **Flexibility:** Check, reschedule or cancel your appointment with ease.

Keep an eye out for a text message from us when it's your turn to book!

If you have any questions, ask our team about SMS Appointment Booking at your next visit!

We're here to help.
