

Patient callback is now available!

A new option when calling your practice that keeps your place in the queue without waiting on hold.

1

**Choose a
callback when
you call us**

2

**Keep your
place in the
queue**

3

**We'll call you
when you reach
the front of the
queue**

**Track your place using
our dedicated webpage.**

Go about your day rather than waiting on hold!
